

SDG 10 – Reduced Inequalities

To Victory Heights,

I am from Tayvallich Primary School in Scotland. Today I want to talk about SDG 10 - Reduced Inequalities. First, I want to say I think it's unfair that some people can't go to school or get a decent education. I also think it is unfair that some people don't have food or water or can't afford any. My last inequality is about homeless people. I think it's really unfair and sad if people get kicked out of their home or don't have the money to buy one. That's all I have to say.

Kind regards, Tayvallich P.S. Waiting excitedly for your response!!
