

Tayvallich Primary School Curriculum Overview

P1-4 Term Three 2026

Literacy

This term the children will continue to explore a variety of texts and take these home to share with their families. They will be reading daily in class and will complete short associated tasks to develop their comprehension skills.

The children will be working on personal writing through recording their news, we will also be linking our writing to our Vikings topic. We will explore non-fiction texts and look at gathering and organising information from these.

We will be developing our grammar skills and focusing on our sentence structure, capital letters, proper nouns and common nouns.

LITERACY

Numeracy

We will be continuing to develop our numeracy skills.

Counting on and back in a sequence

Problem solving skills

Addition and subtraction

Times tables (two, five, ten and four).

Maths

This term in maths we will be focusing on time. Looking at the days, months and seasons in a year before moving onto reading time.

We are learning to:

- Create questions to collect data.
- Display collected data in a variety of graphs and diagrams
- Interpret data from a variety of graphs and diagrams.
- Understand the use of data in everyday life.
- Use and interpret maps.
- Understand coordinates and use these to locate points on a map.

LITERACY

PE

We are learning to:

- Look after our bodies by building our fitness.
- Move our body with increasing confidence and awareness.
- Combine sequences of movement with increasing fluency.
- Work with others to achieve goals

HEALTH AND WELLBEING

Health and Wellbeing

We will be learning about relationships, sexual health and parenthood. This will be age and stage appropriate and will follow the <https://rshp.scot> lesson plans. Please engage with the website for more information on what your child will be learning.

Associated Club

- Food Club
- Farm Club
- PE Club

NUMERACY / MATHS

French

This term we are learning how to follow simple classroom instructions, we are revising the days of the week and the weather by listening to songs and rhymes.

LANGUAGES

Art & Design

This term our art learning will be shaped by online lessons provided by the National Gallery. We will be inspired to create art in the style of Paul Nash in February, and in March we will learn about Corlia Kent.

The children will be creating artwork in relation to our topic of the Vikings

Associated Clubs

Film Club, Art & Craft Club and Race Car Club.

LITERACY

HEALTH AND WELLBEING

The Vikings

The pupils had lots of great topic ideas for this term and decided to pick the Vikings. We will be learning about who the Vikings were and where they came from. We will investigate how and why the Vikings invaded Scotland and what made them such successful raiders and invaders. We will explore how Vikings lived and worked, using our ICT and reading skills to gather information on them.

TOPIC

RME

We are exploring our values and will focus particularly on the value of kindness which is the uniting factor in all major world religions. We will also learn about the symbols and stories of the 6 main world religions.

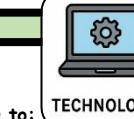

RME

Science

We are learning to:

- How sound travels in air, water and solids.
- How animals use sound to communicate.
- How to use light creatively using mirrors, shadows, and prisms

TECHNOLOGY

Technology

We are learning to:

- Use technology to help us with graphing and displaying data (in connection to Maths).
- Use technology to help us solve problems.
- Use the language of computers

Associated Clubs

- Tech Club
- Film Club
